Delivery

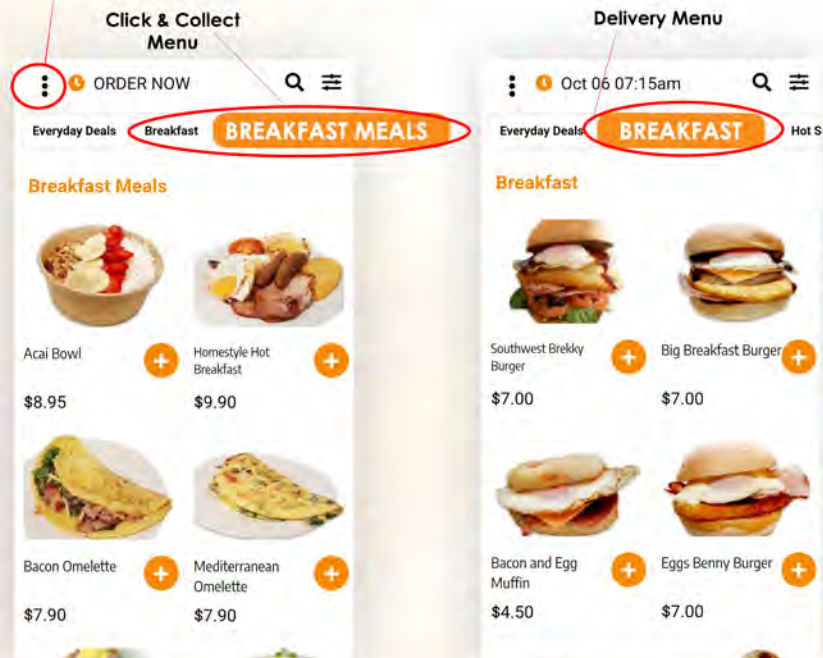

Please order within 3 minutes to lock in time

- Place an order & pay online
- Choose a location from the list
- Choose your date and a timeslot from the list
- Delivery orders require 30 - 45 mins notice
- Choose from one of our set delivery time slots

Products may differ as you traverse between the different store options such as: 'Delivery', 'Click & Collect' and 'Dine In'. Some menu items are not suitable for delivery and therefore they will not appear in the delivery menu selection.

Example below: Shows breakfast meals which appears when the 'Click & Collect' menu is chosen but does not appear in the 'Delivery' menu option.

Click to navigate to the Home screen to change the type of menu option from Delivery to Click & Collect

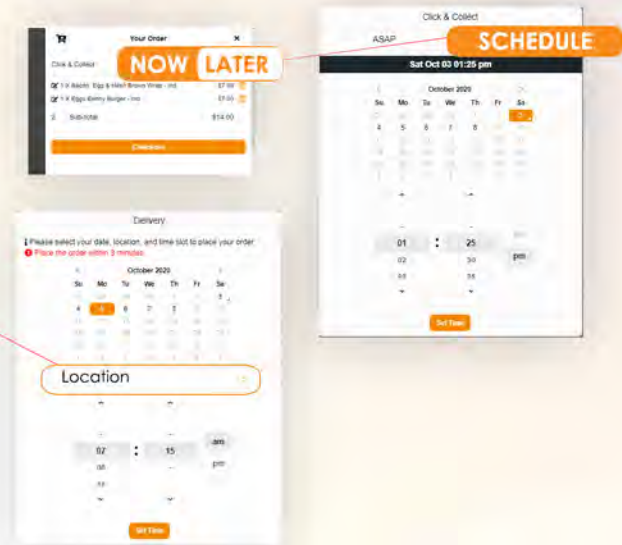

Click on the product to open and view further customisation options or add extras.

User Tips

- \$7.50 Minimum store spend (on food or beverages) applies for 'Delivery' .
- No minimum order applies for 'Dine In' or 'Click & Collect'.
- Free delivery promotion on now
- Some products are 'Click & Collect only' such as coffee, hot drinks, iced drinks
- You can order up to 5 days in advance - if required.
- Pay online through the secure payment gateway service (credit card transaction fee of 2.2% applies).
- Order notes available for some products so you can add a preparation message.
- SMS available to let you know your order is on its way (provide your mobile number in your profile).
- SMS or e-mail invoice supplied with your order details.
- You can save favourite orders under your profile and reorder your fav's in a few easy clicks.
- Different menus apply to the different store options such as: 'Delivery', 'Click & Collect' and 'Dine In'. You can traverse between menu options by navigating to the [Home] menu button.
- You can change your order method at anytime prior to checkout such as: from 'Delivery' to 'Click & Collect' . Simply navigate to the home screen and choose the new preferred method and then complete the checkout process.

You can also schedule your 'Click & Collect' order for a specific time or date. You can order up to 5 days in advance.

You must choose a location, select a time slot and set the time to enable check out for a 'Delivery' order.
